Newsletter – Teresa Isaac

From prior minutes: Teresa, please provide Chandra with the names, logos, contact info, etc... for our community partners. Chandra is volunteering to build and host our website, but she needs any and all information provided to her. If anyone has anything else they feel would be useful on our website, please talk to Chandra. Dave recommended that we review Riverheights, Silverspring, Wildwood and Dundonald community websites for ideas. The links can be found on the City of Saskatoon website.

The deadline for newsletter submissions is May 10th.

Social – Tammy Toszczak

Tammy needs approximately 27 volunteers. The different areas include Face Painting, people to blow up helium balloons and hand them out, food cookers and concession workers, ticket sellers, air jumper monitors (no kids for this one) and people to run the dunk tank. Please forward all interested parties to Tammy asap so we can be as organized as possible. If you have access to balloons, please bring them (ie: from your place of work, etc...)

Motion: S. Silcox / D. Carter – for Tammy to spend up to \$500 towards the Day in the Park for equipment rental, etc...

Treasurer – Sandy Vignes

No Report.

Sandy, please send copy of our Annual Return and Insurance Policy to Dave asap.

Indoor Coordinator – Darla McMillan

No Report.

Softball – Sheldon Sommerfeldt

No Report.

Through email correspondence: "I would like to spend a little bit more money than the usual \$100. I bought one bat for \$63 and some wiffle balls for the girls' team. Aprox.\$90 total. We also need one bat for the boys team for another \$63. Most of the bats aren't in good condition to use...safety-wise."

Motion: D. Carter / D. McMillan – for Sheldon to spend the noted money for the needed equipment.
... Carried.

Executive Reports – Dennis Foret

Motion: T. Toszczak / S. Silcox – for Dennis Foret to purchase a Post Office box for the FCA. All inquiries will be directed to our PO box, including those routed through Dave's office.
