Report from Maurice Neault

Blairmore: Bethlehem High School did a pre-enrollment and have approximately 350 students enrolled for Gr. 9 & 10 for the 2007 / 2008 school year. Tommy Douglas High School is likely the same. Each school has space for approximately 800 students Gr. 9 – 12. The Civic Centre will be ready for September. The tender for the pool is almost ready to go out and there is hope to have it in the ground this year and opening in the Fall of 2008. The Public Library is not signed on yet to be at Blairmore. The Big Box land is sold and the building time is yet to be determined. The interchange at Dalmeny Road and Hwy #14 will start in 2008.

Indoor Coordinator – Darla McMillan

No Report.

Community Liaison – Dave Whitenect

There is a park enhancement grant available through the City of Saskatoon each year (totals \$40,000) and once accepted for the grant, the City usually matches what the community association is wanting to spend. The budget for the new playground does not include benches or lighting so the community association may want to consider spending their money this way rather than toward the actual structure.

Indoor Basketball – Susan Boire

No report.

Softball – Sheldon Sommerfeldt

We had enough kids for 6 teams this year but could only go ahead with 5 as we did not have a coach for the other team. We did not end up needing new uniforms for the teams. Sheldon spent \$184 on equipment.

Executive Reports – Dennis Foret
