

**FAIRHAVEN COMMUNITY ASSOCIATION  
MINUTES OF SEPTEMBER 6, 2007 MEETING  
FAIRHAVEN ELEMENTARY SCHOOL**

**Present:** Dennis Foret, Desiree Carter, Teresa Isaac, Susan Boire, Lisa Thibodeau, Maurice Neault

Meeting called to order 7:00pm.

**Report from Maurice Neault**

After four days of school, all indications are that the students are enjoying the new high schools in Blairmore. The gym should be finished in November. A company from Vancouver has bought the retail space in Blairmore. This is the same company that owns Stonebridge and once Stonebridge is completely filled (approximately 10% left), work will start in Blairmore. Camponi Drive has been sold and there will be approximately 72 homes added to Fairhaven. A concern was brought forward regarding the speed of motorists on Thomas Crescent. Moe advised the best route is to get 80% written support from residents on that street and he would take their recommendation of speed bumps to Council.
