

**FAIRHAVEN COMMUNITY ASSOCIATION
MINUTES OF DECEMBER 6, 2007 MEETING
FAIRHAVEN ELEMENTARY SCHOOL**

Present: Dennis Foret, Desiree Carter, Sheldon Sommerfeldt, Darla Grasby

Meeting called to order 7:00pm.

Indoor Coordinator – Darla McMillan

\$58 deposit for drop in fees

Cheerleading instructor felt that the class was a success and is hoping to see more parent involvement in the next session of Sport ABC. We will likely run two ABC Sports in January.

Girls on the Move and the Youth Centre were much better received after moving to St. Marks. Girls on the Move would like to see more money from the City for supplies. We will provide \$50 to help enhance the supplies of the Youth Centre.

Badminton went over well and will go again in January.

Tae-Kwon Do lost five people ½ through the season. We will need to put some safety measures in place for the handicapped child that comes in a taxi each week. Contact info will be given to the instructor so that if the child is not there within 5 minutes of class starting we can be calling someone to ensure the child is fine. This is to ensure the taxi takes him to the proper location each week. The instructor also wants two classes in January (adult and child). We'll have to confirm whether or not we'll have to pay two instructors as his son will likely oversee the child session.

There have been some scheduling mishaps with St. Marks that Darla / Dennis will address with Bonnie.

Executive Reports – Dennis Foret

The executive feels that we should spend our money on something for the community rather than it just sitting in the account. After some discussion, it was decided to donate \$1500 to each school to spend however they like. A portion of it should go towards the Grade 8 grad. Other suggestions were benches at the park (likely an actual grant for this), Fairfield Senior Centre, donation to Friendship Inn or another worthy cause.

We will talk to Lisa about park enhancement grant for benches or perhaps a major overall like they did at Massey Place. It may be called a Redevelopment Grant.
