Looking for job experience? Or maybe just recently retired? Kids all in school?

Parkridge Centre, a long term care facility located in your neighbourhood, is looking for some important people to assist in some volunteer roles. We have opportunities in a number of different areas including:

1. Friendly visiting - a position for the person who has the gift of the gab, enjoys people, self directed, comfortable in a health-care setting or looking to get experience in the area, flexible times available, looking to make a difference in someone's life.
2. Community Day Program - for the person who enjoys a variety of recreational activities, would like to come for a few hours and assist with the program, ability to have a lot of fun and laughter required
3. Medical Appointments - for the responsible person, independent, flexible time schedule, caring and comfortable in medical environments

Resident Computer Program - for those who can turn it on, get online and send an email - we are looking for you to assist the residents in doing the same, also playing games, printing, music, etc., great opportunity for youth volunteers as well

For information on these positions or others, please contact the Volunteer Services department at 655 3865 or online at http://www.saskatoonhealthregion.ca/your_health/ps_volunteer_services.htm

Thinking ahead to Spring?

April brings Daffodils for Cancer Research.
