Outdoor Rink The rink has enough floods on to start skating! There are a few rough spots but those should disappear as I continue to add more floods.

Light Update: The poles and power are ready but the lights are on back-order. We expect to have them installed in December once they arrive. A huge thanks to Hundseth Line Construction and the City of Saskatoon for helping get the poles and power in. Thursday public skating will be dependent on installation of lights.

Public Skating (without hockey sticks): The signs will be put up soon and will have the times that families can enjoy a skate without dodging pucks and sticks. **We are looking for people/families to supervise these times. To help out your community it would be great to see a family volunteer for a week of supervision.** Supervision of a public skating time is easy....you can go for a skate and just make sure that kids do not have hockey sticks on ice. If you are already going to be going for a skate you might as well help out your community!!

There is a public skating calendar on the website (www.fairhavencommunity.ca). If there is week that you can supervise please email me and I will update the calendar with your name. If you have any questions, concerns or want to sign up for a week of supervision please email fcarink@gmail.com

**Public Skating: Thursdays 6 – 8pm,
Saturday 1 – 3pm and Sunday 3 – 5pm**

A Message from Councillor Ann Iwanchuk

Greetings Ward 3 Residents:

With the Christmas season just around the corner, this is a busy time for all. The children are busy getting ready for their holiday festivities, the grocery stores and shopping malls are busier than ever, there are many social events going on, and it is important to take extra care on the roads. Remember that the reduced speed limit in the school zones is in effect during the school break.

At the time of writing this report, I am preparing for the 2014 budget deliberations. I have heard loud and clear from residents of Ward 3 that you want our priorities to be the basics – better roads, residential snow removal, improved infrastructure. These are the “needs” of our City, and I will be focussing on the “needs” as opposed to the “wants” to ensure your priorities are achieved.

This fall, I was pleased that we were successful in moving the Confederation bus terminal back to its home at Confederation Mall. This has had a very positive effect for the patrons of the bus terminal.

I continue to hear about traffic concerns when coming in and out of Fairhaven and I continue to work with the Administration to try to come up with solutions to those concerns. Having said that, I have received many positive comments about the Circle Drive South bridge. It has shortened commutes for many people in Fairhaven and throughout the City.

If you have any questions or concerns, please feel free to email me at ann.iwanchuk@saskatoon.ca or call me at 306-380-6870.

I would like to take this opportunity to wish you and your families good company, good health, and safe travels during the coming season, and all the best for a healthy and prosperous new year.

Warm Regards,

Ann Iwanchuk
