Call for Volunteers!

Fairhaven Community association is run by volunteers. Without these people dedicating time and energy the community would no longer be able to continue to provide you, the residents of Fairhaven, with access to programming and events within our community. We currently run community sports and indoor programs throughout the year and without your help these programs may not be available in the future.

The following positions on the executive are vacant. If you are interested in becoming a member of the executive or just want to help out your community, please attend our next meeting, Wednesday, June 4th at 7:00 p.m. in the Fairhaven School library.

President:

Position is suited to a motivated individual with strong organization skills. The president chairs meetings, works with community liaisons and makes sure all legal documentation and grants are completed on time.

Vice President:

Position entails the same qualities needed for President. VP assists the President in regular duties to keep the association running. The VP should work closely with the President with intent to move into that position when it becomes available.

Volunteer Coordinator:

This position would work with other organizations in and around our community to make new connections and grow our volunteer base. We need volunteers to help deliver newsletters, organize bottle drives, and help put on community events just to name a few.

Fall Programs

Registration for upcoming Fall Programs will be held September 9th, 7:00 p.m.—8:00 p.m. at Fairhaven School and September 11th, 7:00 p.m.—9:00 p.m. at St. Mark's School.

Programs will be detailed in the next newsletter.
