Members Needed!

The Fairhaven Community Association has various open positions within our Executive. If you are interested in a position or just want to see what's happening with your community please attend our next meeting, Wednesday, **September 3rd @ 7:00 p.m.** in the Fairhaven School library.

Open Positions

President:

Position is suited to a motivated individual with strong organization skills. The president chairs meetings, works with community liaisons and makes sure all legal documentation and grants are completed on time.

Vice President:

Position entails the same qualities needed for President. VP assists the President in regular duties to keep the association running. The VP should work closely with the President with intent to move into that position when it becomes available.

Volunteer Coordinator:

This position would work with other organizations in and around our community to make new connections and grow our volunteer base. We need volunteers to help deliver newsletters, organize bottle drives, and help put on community events just to name a few.

Make it Happen!
