We NEED YOU!

Our community association needs volunteers to continue to run all the fantastic programming we provide! Join our volunteers who freely donate their time to help others. It is an excellent way to gain skills, meet friends and develop contacts. Use volunteer experiences to build your resume, improve your language skills, gain self-confidence, learn about Canadian culture and gain a stronger sense of belonging to a community. The City of Saskatoon provides excellent training opportunities as well as a liaison that attends all of our meetings.

The Fairhaven Community Association has various open positions within our Executive. Please consider joining our community to help make a difference! Contact us through our website or Facebook page if interested.

President:

Position is suited to a motivated individual with strong organization skills. The president chairs meetings, works with community liaisons and makes sure all legal documentation and grants are completed on time.

Vice President:

Position entails the same qualities needed for President. VP assists the President in regular duties to keep the association running. The VP should work closely with the President with intent to move into that position when it becomes available.

Volunteer Coordinator:

This position would work with other organizations in and around our community to make new connections and grow our volunteer base. We need volunteers to help deliver newsletters, organize bottle drives, and help put on community events just to name a few.

Dates to Remember:

Rink Update

The rink has enough floods on to start skating! There are a few rough spots but those should disappear as I continue to add more floods.

Light Update: The lights have been updated and will not be staying on 24 hours like last year. They are on a timer and will stay on 6 hours past sunset.

Public Skating (without hockey sticks): The signs will be put up soon and will have the times that families can enjoy a skate without dodging pucks and sticks.

We are looking for people/families to supervise these times. To help out your community it would be great to see a family volunteer for a week of supervision.

Supervision of a public skating time is easy....you can go for a skate and just make sure that kids do not have hockey sticks on ice. If you are already going to be going for a skate you might as well help out your community!!

Check our webpage for the public skating calendar, if there is a week that you can supervise please email me and I will update the calendar with your name.

Public Skating: Thursdays 6 – 8pm, Saturday 1 – 3pm and Sunday 3 – 5pm

If you have any questions, concerns or want to sign up for a week of supervision please email fcarink@gmail.com

PET TAILS

'Twas a cold winter's eve, when all through the home
not a pet was stirring, not even to roam.
The licenses were hung on the collar with pride,
for if lost, pets would return by a safe ride.

A Pet License makes a PURRRFECT gift during the holiday season.
