Volunteer Profile

Jeannette Loucks—Newsletter Coordinator

I've been with the FCA two years. One year as a member at large and one year as the newsletter coordinator.

I have lived in Fairhaven for 12 years and lived in nearby Parkridge for a big part of my childhood. My husband Dean and I have two boys ages 17 and 10.

One of the reasons I decided to become involved with the community was because both my parents were heavily involved with their community (Pacific Heights) from the mid 1970s to the early 1980s. My Mom was a member of the executive and was involved in all aspects of the community. My Dad coached softball and hockey and spent numerous hours helping to build the community rink. I also wanted to be involved in the community where my children are growing up to help make Fairhaven a great place to live.

I've enjoyed my time with the association so far and plan on continuing to be a part of my community. Volunteering is rewarding experience!
