Fairhaven Community Garden

We are looking for a new coordinator for our community garden!

Please contact Pat Loveridge—plover.ridge@outlook.com if you are interested.

The garden coordinator is a volunteer position that entails looking after the green bin, helping the gardeners and attending related community garden meetings.

Please remember—DO NOT harvest other gardener's plots! People have worked hard maintaining their plots and deserve the fruits of their labour! There is marked "community plot" which vegetables can be shared amongst the community members.
