Upcoming Events - NEXT MEETING: Sept 16 @ 7pm. Fairhaven Elementary Library. Councillor Ann Iwanchuk will be there and hopes to bring someone from Traffic to address any questions / concerns. We can provide FREE babysitting if we know ahead of time. In order to ensure our programs continue each year we need new people helping out. With more people to help, it is less work for everyone! We are a fun and energetic group who want to make a positive impact in our community – come join us!

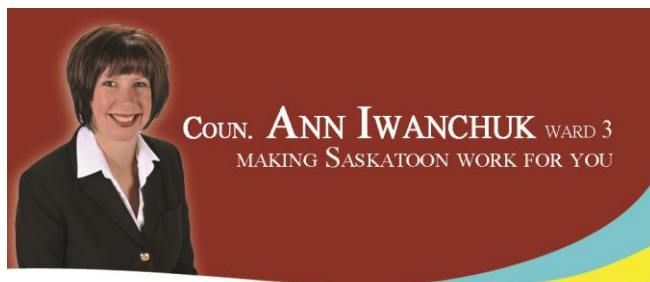

HALLOWEEN SPOOKTACULAR – no confirmed date but watch the website and Facebook for details!

Community Watch Program? - Fairhaven is a wonderful community to live in and raise our kids. After years of very low crime in the area, this summer saw an increase in break & enters, theft under \$5000 and general vandalism. A Community Watch program has proven successful in other neighborhoods and many residents would like to participate in Fairhaven. In order to have a Community Watch program we need a coordinator (could be 2 – 3 people sharing the job) to work with the Saskatoon City Police and the Community. If you and/or some neighbors would like to coordinate this positive program in Fairhaven, please contact Desiree Carter @ 306-931-4020.

Fairhaven Community Garden - 2013 was a year of success & heartbreak at the garden. We had a great growing season with ample produce, but for whatever reason we saw more vandalism this year than in the past two years combined. A Community Watch program would help prevent this from happening again next year.

Outdoor Rink News - The lights will be put up this fall. We need a dedicated group of volunteers to help flood when the time comes as well as volunteers to supervise Public Skating times. Supervision includes being present to ensure ice is available for non-hockey activity, help distribute helmets & skates if necessary. Public skating times are Thursday evening, Saturday & Sunday afternoons. Depending on the weather we may have ice from mid-December to end of March. This is an easy way to give back to your community; commitments can be as small as one shift each week for a month. For anything and everything related to the rink; please contact Chase Carter at 306-931-4020.
