Fairhaven Community Association had a new logo contest in the spring of this year. We have decided on two winners.

Winner– Willie Marks

Willie has lived in the Fairhaven area since 1977 in a house that he built. Willie's daughters went to Fairhaven School and his son went to St. Mark's. And now a granddaughter goes to St. Mark's School.

The meaning of his Logo:

The Tree– a strong tree symbolizes strength, stability and resilience

The Butterfly-the butterfly symbolizes transformation, hope, new beginnings, rebirth and the ability to overcome challenges.
